

Career Opportunities

Plum Property is looking for an experienced buyer's agent to help us deliver great service and results to buyers of residential real estate. Buyers Agents are the growth industry in Real Estate proving that real estate can be exciting and can be done differently.

If you are interested in working in small but motivated team and have a solid background in residential real estate, please contact me for a chat.

What we would like from our team members:

- Lots of good ideas you want to share
- A passion for real estate
- The ability to think outside the box
- A great real estate "tool box"
- Flexibility
- Real estate qualifications and experience
- An understanding of the real estate market from an investor and home buyer point of view

What we offer:

Respect for our clients and our team members

Flexible work hours

The opportunity to be part of a growth industry

Interesting and challenging work

If you think that you may be the person for us – either email your CV and details to karen@plumproperty.com.au or call for a chat on 02 95181617.
